Dear Families,

NSPCC free online safety workshop for parents and carers

We would like to invite all parents, carers or family members to a **free online safety workshop** at Grove Street at **9am on Monday 12th February**. The content covered in the workshops is aimed at adults and will support you in keeping your children safe online. There will be a raffle draw at the end of the workshop for all who attend.

The hour-long workshop will help parents, carers and other adults understand their child's online world, build confidence to have those important conversations that can help keep children safe online and help you know where to go for help and advice.

"After coming to this workshop today, I realise the importance of having conversations with my child rather than avoid the subject. I didn't know there were things I could do to make it better, I'm so glad I came to this workshop. I will definitely be calling the helpline or going into store to get some help, thank you." – Parent who attended the workshop.

Don't miss out on this great opportunity. RSVP by returning the reply slip below.

Until then, if you need any support or guidance about keeping children safe online, here are a few things you could do:

- Visit [NSPCC](#) and [O2 NSPCC website pages](#),
- Call the free **O2 NSPCC Online Safety Helpline** on **0808 800 5002**
- Download the Net Aware app on the App Store or Google Play
- Pop into your local O2 store for online safety help from a [Guru](#) – you don't even have to be an O2 customer!
- Sign up to the [icebreaker email series](#).

We look forward to seeing you there.
