

Grove Street Parent Voice September 2022

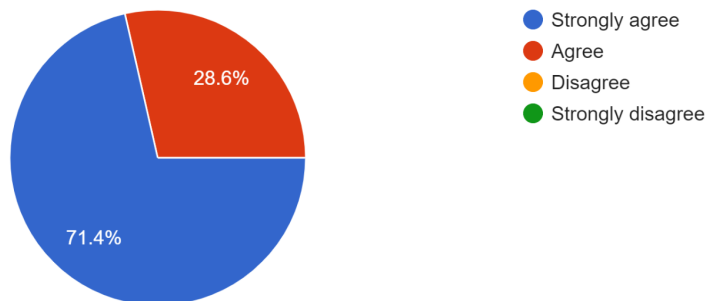

Grove Street Primary School is welcoming for children, parents and families

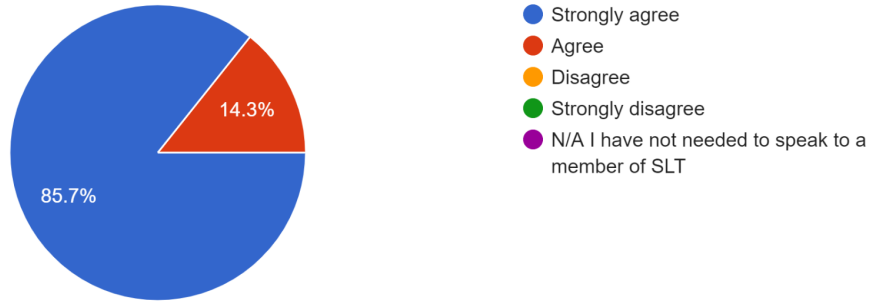

My child feels like they belong here, as part of our Grove Street family

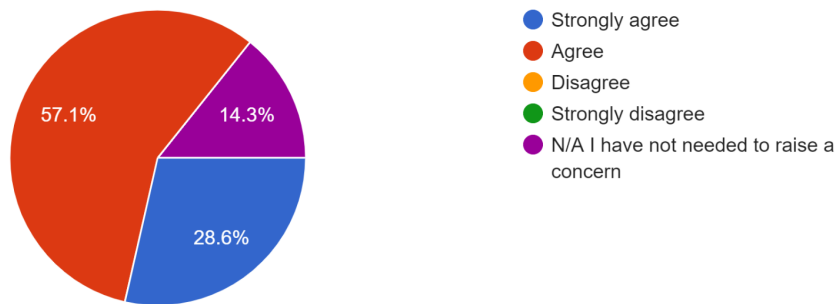

Adults at school help my child to feel safe

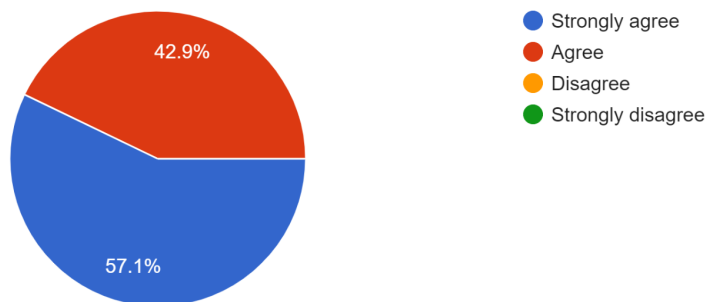

I have been able to speak to a member of SLT (e.g. Headteacher, Deputy Headteachers, SENco, Key Stage leaders) if I've needed to, at the gates, through Dojo, phone calls, meeting etc.

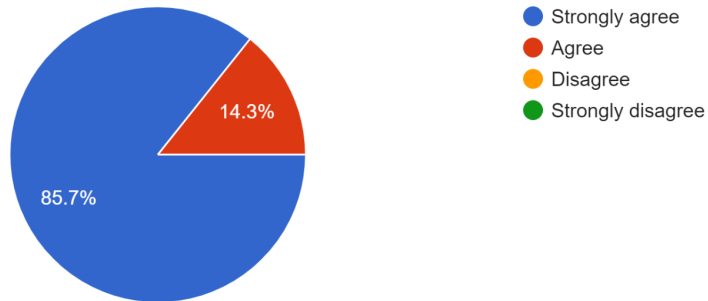

When I have raised concerns with the school they've been dealt with properly

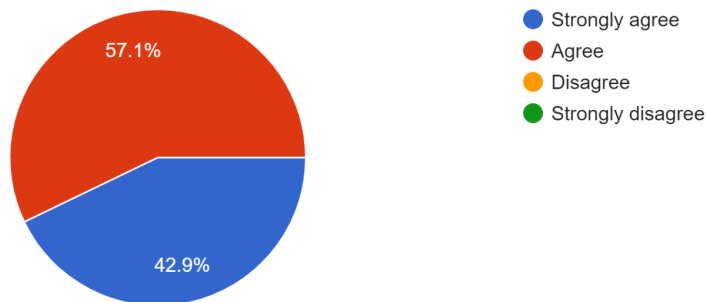

The school supports my child's mental health and wellbeing and their wider personal development

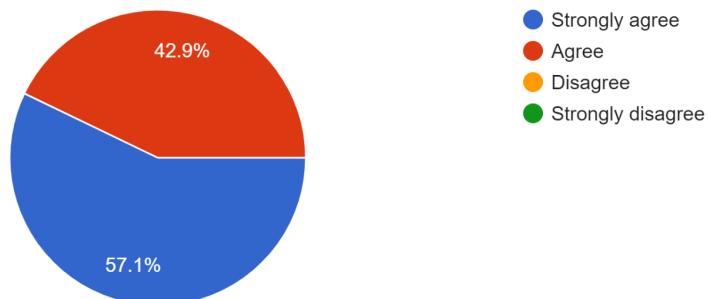

The school supports my family E.g. food (our supermarket), free uniform, being a friendly ear, suggesting other support

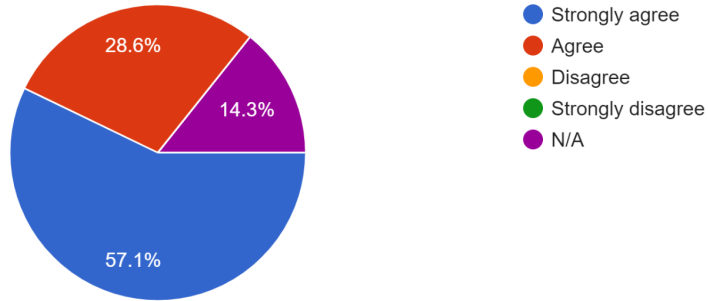

The school is good at communicating with parents (e.g. Class Dojo, face to face, phone calls, website, texts)

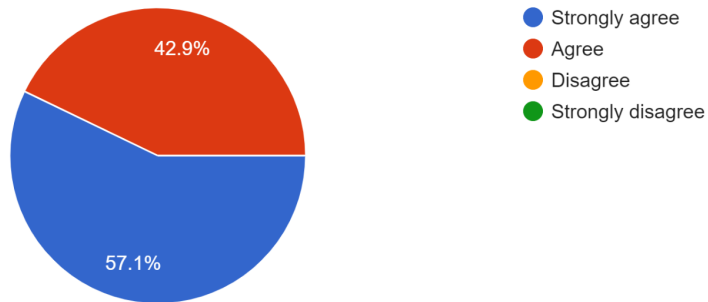

The school gives my child the support they need to succeed

The school gives my child the support they need to prepare for their next steps e.g. high school, Reception class etc.

The school helps me enjoy learning together with my child (e.g. read with me sessions, drop in Reading sessions with Mrs Banks, ELSA parenting groups, PEEP group)

The school provides helpful information on supporting my child's learning e.g. Read, Write, Inc. videos, Class Dojo, teacher conversations
